

Manifesto of the Aam Aadmi Party (AAP)

Preamble The Aam Aadmi Party (AAP) is committed to creating a corruption-free, transparent, and people-centric government that ensures equal opportunities for all citizens. Our vision is to bring governance closer to the people by emphasizing participatory democracy, good governance, and sustainable development. We believe in policies that uplift the common man and ensure inclusive growth across all sectors.

1. Economic Growth and Development

- Promote a self-reliant economy by supporting small businesses, startups, and entrepreneurs.
- Provide interest-free loans and subsidies to small and medium enterprises (SMEs) and farmers.
- Strengthen infrastructure with an emphasis on affordable housing, roads, and clean energy projects.
- Ensure fair wages, employment opportunities, and a strong social security system for all citizens.

2. Education and Skill Development

- Improve government schools by enhancing infrastructure, teacher training, and learning outcomes.
- Provide free, high-quality education up to the secondary level for all children.

- Strengthen higher education institutions with increased research funding and vocational training programs.
- Implement skill development programs tailored to modern industry requirements.

3. Healthcare for All

- Expand the Mohalla Clinic model to provide free, accessible healthcare to every citizen.
- Strengthen government hospitals by improving facilities and ensuring free essential medicines.
- Promote preventive healthcare, wellness programs, and awareness campaigns.
- Implement universal healthcare coverage to ensure no citizen is denied medical treatment.

4. Governance and Transparency

- Implement a zero-tolerance policy against corruption at all levels of government.
- Promote transparency in governance through the use of technology and digital platforms.
- Decentralize power to local bodies to ensure community participation in decision-making.
- Strengthen the Right to Information (RTI) Act and ensure public accountability.

5. Social Welfare and Inclusivity

- Provide free electricity and water up to a certain limit for every household.
- Strengthen welfare programs for women, senior citizens, and differently-abled individuals.
- Ensure fair and equal rights for all sections of society, including minorities and underprivileged groups.
- Expand employment guarantee programs and livelihood initiatives for the poor.

6. Environmental Protection and Sustainability

- Implement large-scale afforestation and pollution control measures.
- Promote clean and renewable energy sources, including solar and wind power.
- Encourage sustainable urban development with efficient waste management systems.
- Strengthen water conservation programs to prevent shortages and ensure resource sustainability.

7. Law, Order, and Public Safety

- Strengthen law enforcement agencies while ensuring they are accountable to the public.
- Implement community policing initiatives for enhanced safety and crime prevention.
- Ensure strict laws against crimes such as corruption, domestic violence, and hate crimes.
- Promote judicial reforms for faster case resolution and greater accessibility to justice.

8. Digital Transformation and Innovation

- Expand digital governance to make public services easily accessible to all citizens.
- Provide free Wi-Fi in public spaces to promote digital literacy and connectivity.
- Support startups and technology-driven solutions for better service delivery.
- Implement strong data protection and privacy laws to safeguard citizens' digital rights.

9. National Development and Federalism

- Strengthen cooperative federalism by giving more power to states and local governments.
- Promote policies that ensure equitable development across urban and rural areas.
- Improve public transport infrastructure to reduce congestion and pollution.
- Foster a people-centric foreign policy that prioritizes national interest and economic growth.

Conclusion The Aam Aadmi Party is dedicated to transforming India into a nation that prioritizes honesty, equality, and welfare. We believe in a governance model that is responsive, transparent, and citizen-focused. Together, we will build a new India—one that truly serves the common man and ensures a brighter future for all.
